- **PRE-REGISTRATION PROCESS FOR CURRENT STUDENTS:** All students who **register by June 30th** will receive a tuition reduction for the month of September in the amount of the registration fee (\$10 deposit per class) paid (*unless you withdraw from class after the scheduling has been completed*). Any registrations received AFTER June 30th will **not** be eligible for the tuition reduction and a \$10 class deposit per class will be enforced.
- A non-refundable processing fee of **\$15 per family** is required. This will assure your registration for fall classes, and will help considerably in scheduling the classes needed.
- You will receive a schedule of class day, time, and tuition in mid-August. Once classes are scheduled, **no refunds** will be made on paid registration fees for any dropped classes. Corrections and class adjustments (when available) can be made **thru** August 25, 2017.
- All classes are based on demand. Advanced registration does not guarantee the class will be offered. If there is not sufficient demand for a class, your registration fee will be refunded or applied to your account.
- Questions? Please direct them to the office staff.

If there is anything you do not understand, please feel free to ask.
